SKATE SASKATOON FALL SKATING SCHOOL - 2018

Skate Saskatoon is proud to offer its 2018 Fall School Program. The Fall School will run from September 4-30, 2018. Attending the Fall School is an excellent way to get a head start on the 2018-19 Winter Season.

Skaters may select any number of options per week. A schedule of daily options is attached. Registration will be on a first come first serve basis until the start of the school and after the start provided there are openings. No confirmations will be sent out. Your Registration Invoice is confirmation of registration. Sessions which fill will not be available for registration. Skaters will be notified regarding changes to skating times. Unused sessions can be used in the current season or the winter 2018/2019 season. All Club Policies apply (See Policies on website)

Applications for the Fall School will be accepted from any Skate Canada member. Any registered Skate Canada coach is allowed to coach on any of the options offered. First time participants at the Fall School or those who are uncertain about sessions should consult their coach or the Club Manager. Contact information for Skate Saskatoon coaches as well as other coaches is available on our website. Coaches that are identified in your Member Profile are able to view your skating schedule. Please check with your coach to verify availability at the time(s) you are registering.

Those skaters who were in the Winter or Spring Advanced PreStar program should consult their coach, a Club Coach or the Club Manager if you have any questions regarding sessions, private lessons, or scheduling.

* NEW THIS SEASON – Advance PreStar group lessons will include those skaters working on Badges 4, 5, 6
AND those working on Star 1 & 2.*

All Skaters must be signed in prior to entering the ice. All skaters must initial beside their registered name or fill in Exchange details or a valid Ice Ticket Bar Code. CanSkate Lessons must indicate their Coach for any private lesson session. Sign in rules are posted on our website under info, additional ice usage. Penalties for improper ice usage will apply.

If an Option session is missed, the skater may make up this time on another option within the current season or the winter 2018/2019 season and indicate the exchange in the Sign-in book. They must indicate the time missed, note the number of the session missed and the alternate session /time skated.

Fall 2018 Ice Session Tickets will be available online September 1. Tickets are transferrable and valid through the 2018/2019 winter season.

TEST DAY schedules are listed on the Home Page and under the "Events" Tab on the website. <u>TESTING WILL</u> ONLY BE FOR SECTIONAL QUALIFYING EVENTS. Late registration/purchase of Test Day Tickets will not be accommodated.
