

CANSKATE, ADVANCED PRESTAR/STAR 1, 2 AND POWER EDGES

2019 SUMMER PROGRAM

Register Weekly - JULY 8 through AUGUST 29

****ONLINE REGISTRATION****

www.skatesaskatoon.com

A.C.T. Arena (107 – 105th Street East, Saskatoon)

Date & Sessions: Available for 4 sessions per week, Monday to Thursday (July 8 – August 29, 8 weeks)
Time: 6:15 PM – 7:00 PM

Skaters will be designated on the ice by group, age and skill level

CanSkate is designed for participants ages 3 up to Stage 6. All participants in the CanSkate Program require a CSA approved helmet. Facemask is recommended.

Advanced Prestar/Star 1, 2 is focused on figure skating skills and is designed for participants that are working on Stage 4 up to and including Star 2. All participants in the Advanced group must wear figure skates. All participants up to and including Stage 5 must wear a CSA approved helmet. Facemask is optional.

Power Edges are for participants Stages 4 to 6 enrolled in hockey, ringette or speed skating.

POWER SKATING WEEK 9 – Runs August 26 – 30 8:00 – 9:00 pm
MUST BE NOVICE OR ATOM FOR 2019 SEASON

Summer skating is fun and different from all other summer activities. Skaters learn and advance more quickly during this season and get to cool off at the same time. The needs of each individual can be worked on because of the low student/coach ratio. Top skaters train during the summer and most started with programs like this. Join us this summer . . . Enroll now.

As with many other sports and activities, private lessons are beneficial and increase the development of a young skater. Skate Saskatoon has professional coaches available for private lessons. A listing of the coaches and fees are available on the website. Tickets can be purchased under products for the ice time needed when receiving a private lesson.
