

CANSKATE/ADVANCED PRESTAR GROUP

INSTRUCTION PROCEDURES – SPRING 2021

PROCEDURES:

- skaters will arrive “skate ready” 5-10 minutes before the start of the session. Parents will pick up the skaters’ nametag from the small table outside the rink entrance. Please adhere to social distancing guidelines while you are waiting OUTSIDE the arena doors.
- the coordinator will meet all skaters outside the arena, take attendance, and lead the skaters into the arena to the ice surface.
- at the conclusion of the session, parents will meet their children outside the blue exit door (east side of arena). The coordinator will guide the skaters out the door.
- the coaches and skaters will adhere to the provincial guidelines of social distancing; skaters will be in two groups of 8 skaters.

IMPORTANT NOTES:

- skaters must be able to get up/stand/walk by themselves without physical assistance.
- skaters must be able to go to the washroom independently.
- skaters must have a sense of social distancing and MUST wear a cloth/medical mask the entire time they are in the rink and on the ice.
- skaters MUST have skate guards (there is cement tile between the entrance door and the ice surface). Rubber or plastic skate guards are preferred rather than cloth.
- skaters MUST wear gloves or mitts
- Skate Saskatoon does not provide skates, guards, helmet, or mitts.
- for the younger skaters, a metal cage facemask is recommended.
- parents/guardians are not permitted inside the building.
- *IF the skater needs to be brought off the session early, the coordinator will escort the child to the blue exit door and meet the parent...please do not leave the parking lot during the skating time*
- if skaters cannot clear the screening questions, they are not permitted inside the building and should follow Saskatchewan Health Guidelines.
