Synchro Choreography 2025–26!

What is Choreo?

Teams will have the opportunity to begin preparing their programs for the year during Choreography Weekend. Skaters will work with Coach Trish and external choreographers to develop program elements, transitions, and team formations for the season. Skate Saskatoon brings in guest Choreographers for this session who are highly experienced and energizing. Our skaters enjoy this fast paced weekend to kick off the season.

Important: Skaters must register for the winter season by **September 26, 2025.** Team placements will be communicated by Trish to ensure that skaters know which registration to complete. Anyone asked to “double team” will receive additional information from the office at a later date.

Attendance is expected at this workshop to ensure a strong start on your team’s program and ensure a smooth season kickoff. See Schedule for details. All team members will be invoiced for choreography even if they are unable to attend as the program is provided for the team.

COACH TRISH

If you have questions regarding choreography or the weekend please reach out to Coach Trish.
