

VOLUNTEER DEPOSIT

The \$100.00 volunteer deposit charged during winter registration for Advanced Pre-Star and higher skaters (on a per family basis) is in lieu of the fundraising fee charged in previous years (on a per skater basis). The fundraising fee was associated with a booklet of Skaters' Lottery tickets, which is a Skate Canada Saskatchewan fund raising campaign that benefits both the section and our club.

After October 1st there will be the below opportunities related to the volunteer deposit:

1. Pick up a Lottery ticket booklet from the office – value \$100. The tickets can be sold and the funds retained by the family or the family can enter themselves in the draw by completing the ticket(s) with their own information. The booklets are to be returned to the office. The deadline will be provided upon pickup.
2. Volunteer for club activities including: Ice Show, Winter Classic, Test Days etc.

In the coming weeks the details of the volunteer opportunities including the event, time commitment required and related credit amount will be posted online. The credits will be posted on the member account for use against subsequent invoices.
