Skate Saskatoon 2026 Ice Show

Circus Spectacular March 29, 2026

As a participant in Winter Term 2 at Skate Saskatoon, we invite you to join our year end ice show showcasing skaters from all levels who choose to participate. If you are new to our club or have a younger skater, this event is a great opportunity to see what figure skating all is about and what you/your child might aspire to in their skating career someday.

What is an ice show? It is a great way to show off all your hard work and the new skating skills you have developed this skating season. The show will consist of several Solo skaters, Synchro teams and group acts. All skaters are invited to join a group, and some will be asked to perform solo. Groups are made up of skaters who have similar skills and skating assessments completed and skate to a routine developed by our coaching team! This is also a fundraiser for the club to continue to optimize programming.

Time Commitment: Depending on your level and group, expect 2-4 practices during the week prior to Ice show (March 23-27) a dress rehearsal with professional photo opportunity on March 28, and the big day on March 29 takes place from around 12 pm (early arrival of skaters) – 4pm when their routine is performed for family and friends who attend in the audience!

PRACTICES at ACT: Held the week of March 23-27, 2025

- Schedule is expected to be posted by the beginning of Winter Term 2

DRESS REHEARSAL at ACT: Saturday, March 28th
